### Responding to the Budgetary and Funding Impacts of Illinois

Plus

### Pre-Meeting: Briefing for Candidates

Thursday, March 9, 2017 • Glenwood Oaks Restaurant • Glenwood

#### PROGRAM:

#### Pre-Meeting: Briefing for Candidates (5-6 p.m.)

This session is designed to provide **board candidates** with an overview of the roles and responsibilities of an elected school board member and an idea of what to expect if they are successful in the April elections. Boards are encouraged to bring candidates for the whole evening, as the dinner program will be valuable to candidates as well as to current board members.

**While the briefing is free, online registration and payment of \$40 is required for the candidates attending the dinner. Your district superintendent or district secretary must update the district roster to include candidates prior to registration** (see REGISTRATION section).

This briefing will be presented by Perry Hill, IV, Director, Field Services, IASB.

#### Responding to the Budgetary and Funding Impacts of Illinois

**Presenters: Dr. Michael A. Jacoby, Executive Director, Illinois ASBO**

An overview of the current Illinois budgetary landscape will be coupled with an analysis of the budgetary challenges to school districts. Illinois Association of School Business Officials Executive Director (Illinois ASBO) Dr. Michael Jacoby will provide insight on strategies that district leadership can consider in coping with the current budgetary climate while maintaining optimal district operations. In addition, the presenter will provide updates on the status of school funding reform efforts along with the progress of Illinois Vision 20/20 and opportunities for advocacy.

Dr. Jacoby has served as an educator for 35 years — as a teacher, school business official, and superintendent of schools. He is, now, serving in his 11th year as the Executive Director of Illinois ASBO.

As time permits, a question-answer period will follow the presentation.
