

Health Requirements for Registration

*In order to register you **must meet** the physical and immunization requirements for all grades*

What You Need to Bring

If you're entering school for the first time, kindergarten, and sixth grade:

New Certificate of Child Health Examination/Physical for the 2019-2020 school year

Dental Examination

All students entering *kindergarten, second, and sixth grade* must have a dental examination for the 2019-2020 school year before May 15, 2020

Eye Examination

Kindergarten students must have a new eye examination by a licensed optometrist before October 15, 2019.

Immunizations

Consult your health care provider for specific Immunization Requirements.

Important Reminders:

Early childhood and Pre-K: HIB and Pneumococcal

Kindergarten students will require several new immunizations

Sixth through 8th grade: Tdap

Sixth and Seventh grade: Meningococcal

Kindergarten, 1st, 6th, 7th grade, 8th grade students need two doses of varicella
